**Course Title :****Relationship with God I/II & III/IV****Instructor : Andrew Wommack**

The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the believer helps us receive the blessings God has for us and show us how to stop Satan from robbing us. God's not guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.

**Course Title : Let Freedom Reign****Instructor : Arthur Meintjes**

Discover the fundamental reality about freedom: it's a gift! Does it seem like freedom in your Christian walk is only achieved through great sacrifice and hard work? And once you've sacrificed and labored long and hard enough, only then can you ultimately be rewarded with freedom—freedom from sin or from bondage such as drugs, alcohol, or pornography? Get established in the New Testament reality that, in Christ, you were born free.
